\*Event finish times may vary subject to attendance numbers

WEDNESDAY 31 MAY 2023 | 9AM-1PM\* DARWIN

## If driving a bus with time off for you sounds good, but you're not sure where to start, then don't miss this free driver information session.

CDC Northern Territory is on the hunt for enthusiastic full time, part time and casual employees who are keen to join our global organisation in a secure and rewarding role.

Suitable for both experienced drivers and those considering switching careers, all you need are great customer service skills, a car licence, and a good driving record, and we'll help you with the rest.

We offer fully paid training and license upgrades. There are NT driver jobs going across Darwin, Alice Springs, Humpty Doo, and Jabiru as well as at CDC depots right around the country, so there's sure to be the right opportunity near you.

Whether you're a small business owner, a part-time worker with flexible hours or simply looking for extra income as you approach retirement, you'll join a family of drivers of all ages and stages, who love what they do.

Meet the team for an up-close-and-personal Q&A session and then take to the road with a qualified driver, who'll take you through all the manoeuvres.

- Free training program
- Gaining your licence
- Application & hiring process
- Rates of pay & job expectations
- Depot tour
- Escorted bus demonstration

\*Event finish times may vary subject to attendance numbers

**Limited places – register now to avoid disappointment!**
